Chairperson's Message

Taleemi Baithak model is evolving and we are providing knowledge, products, services and training beyond borders. We are just about making human beings live on earth worthy of human values. This is the first experiment to brand all educational products and services in east and south Asia keeping in view the Muslim perspective especially the girl child. Our moneybox "Allah's Share Today" will help young kids from early age the saving for vulnerable and people in need. We are enhancing our key internal and external operations to ensure a consistent and positive experience for our customers, partners, suppliers and employees. Leveraging synergies across our quality experts under the taleemibaithak brand enables the delivery of world-class software, services and materials globally across our customers' operations.

We continue to operate in a number of core sectors where our clear vision and strategy is trusted by our customers. This vertical strategy is underpinned by the strength of our high quality products and robust services offerings which we will continue to enhance in 2012, and beyond.

As a team we remain committed to corporate and social responsibility. In all of our actions we strive to ensure that all economic, environmental and social factors are considered. We believe that this approach, driven by our principles of respect, scarify and involvement, makes us more responsible and informed as a company.

Dilshad Akther
Executive Chairperson

Our Mission

Our Mission is to serve as the most reliable, respected and innovative source of teaching, learning and research solutions for the academic, schools, professional and library markets in underdeveloped areas of Pakistan.

What Taleemi Baithak is all about?

Taleemi Baithak is the educational Lounge which has been conceived and developed to reduce burden on parents, teachers and tutors by providing the most modern multicultural and multidimensional teaching, Assessment and reading material to the kids at their own premises at affordable prices.

Presently, we are also supporting in Desert of Thar, Bannu, Mianwali, Bukhar, Southern Punjab and tribal belt of Khyber Pakhtunkhwa. However, it's our earnest desire to extend this facility to all the far-flung areas of the country so that major segment of our population could be benefitted from this modern education system. The material we provide includes printed books, digital books, software, learning and educational systems, stationery and other supportive material.

So, join us to impart education, knowledge and wisdom to the young generation beyond borders and we are shortly starting operations in Gulf, Saudi Arabia, Afghanistan and Bangladesh.

Psychological Assessment:

Taleemi Baithak Aid in the emotional and psychological development of students across the Asian and Gulf region especially in the Islamic moderate perspectives' for the purpose of enhancing performance; assist in the evaluation of student academic progress for the purpose of improving student and faculty . Assist students in improving decision-making, identifying and using resources, and achieving academic, social, and personal success.

Taleemi Baithak is a psychology practice responsive to you and your families needs. Our rooms are designed to offer a comfortable and safe environment to get the best out of you and your children.

Taleemi Baithak recognizes that children and adolescents are part of a family and community and as such we provide the services and support for all these groups. Whether it be problems with relationships at home or at school; difficulties with managing school, a growing sense that your child is not coping as well at school as you had thought they should or can; or as a parent you know that you are not dealing with the transition from childhood to adolescence which might be causing anger, stress and frustration, our fully qualified and registered Clinical and Child Psychologists are here to help you through this phase.
